

SETTING GOALS

1. What would I like to be doing right after I graduate from high school?

.....
.....
.....

2. Where do I see myself in five years?

.....
.....

3. List the names of people and organizations that can help you set and reach those goals. (i.e. parents, teachers, employment specialists).

.....
.....
.....
.....

Now that you have set some goals and identified people who can help you achieve them, it may help to create a timeline of things you need to do to get where you want to go. This can be in any format you wish- you may want to draw it, make a list, or just write it out.
